

## Home Activities

Student: \_\_\_\_\_

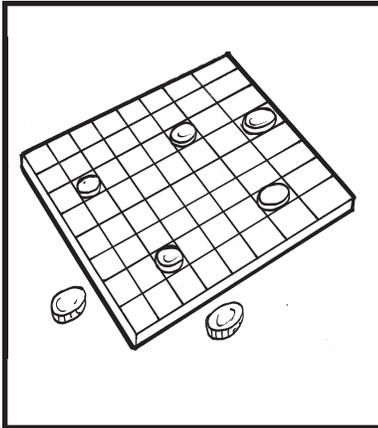

Target: Diphthong /ei/ in one- and two-syllable words (represented by the letters *a*, *ae*, and *ai* in these words)

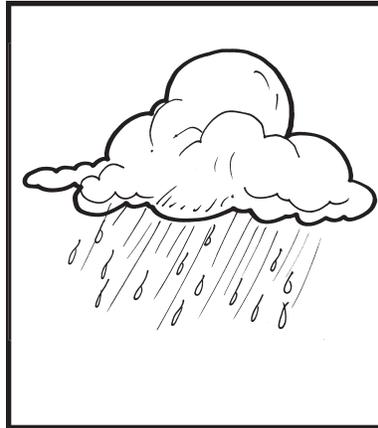

1. Jay

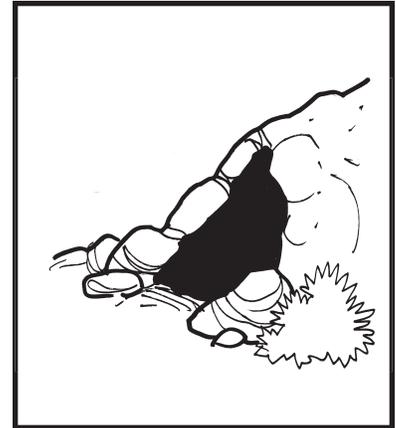

2. Nate

3. game

4. rain

5. cave

1. Color the pictures of *Jay*, *Nate*, *game*, *rain*, and *cave* with your child. Model the correct pronunciation of each word, using the cues indicated here:

---

---

2. Hide the pictures around the house and see if your child can find them. Say each word several times as the pictures are discovered.
3. Read the story “A Game of Chase” to your child. Create two-word or three-word phrases that include the words in bold type. Cue your child to repeat the phrases.
4. Place the pictures of *Jay*, *Nate*, *game*, *rain*, and *cave* in front of your child. Request that your child retell the story to you, and provide cues as needed.
5. Talk about the games that you like to play with your child (both indoor and outdoor games). Find out which games are your child’s favorites and plan to play them this week.
